

## **Agenda Bill 2009-05-11C - Procurement of New Pipe Line Television Inspection System**

**Agenda Bill ID:** AB 2009-05-11C

City Council

**AGENDA BILL 09-05-11C**

**Subject:**

Procurement of New Pipe Line Television Inspection System and Vehicle

**For Council:**

May 11, 2009

**Land Use Case Number:**

N/A

**Public Hearing:**

Not Required

**Attachments:**

Memorandum from Gene Green to Chris Jordan

Photos of the full truck mounted pipe line inspection system

**Initiated by:**

City Staff

**Budget Impact:**

This project bid of \$118,738 is within the 2009 budgeted amount of \$126,000.

**Sustainability Impact:**

Replaces a very inefficient and high fuel consumption vehicle

**Policy Questions for Council Consideration:**

Should Council direct the City Manager to award a contract to Ques, Inc. for the building of a pipeline television inspection system?

**Summary:**

The current television inspection system is mounted in a 1975 truck and the system is inefficient and time consuming. The new system will be a full-truck-mounted pipeline television inspection system and will allow for economical and efficient TV inspections. Bid opening was held April 7, 2009, two bids were received. The low responsive and responsible bidder is Ques, Inc. at \$118,738 including base bid and two options.

**Recommended Action:**

## Agenda Bill 2009-05-11C - Procurement of New Pipe Line Television Inspection System
